**Instructions:**

1. Decorate the white glossy card stock by inking the poinsettia stencil with Cherry, English Red and Jungle Green inks using the Color Sponge. Trim this sheet of card stock so it fits the cutting die. Cut out 24 sets.
2. Box of Drawers - Cut out box and drawers with Sizzix die. Assemble the bottom of the box to create a drawer rather than a box with lid. Assemble the outer frame to hold the 3 boxes.
3. Wrap the ribbon around the drawer so surprise can be pulled out with using the ribbon and insert into box frame.
4. Create the poinsettia flower embellishments with Makin's white clay and the holiday push mold. Adhere to ribbon and secure to hold drawer in place.
