When * * Creativity Knocks

Instructions:

1. Paint cans with DecoArt Americana Decor Chalky Finish Paints. Let dry and then apply Creme Wax.
2. Roll assorted colors Makin's Clay using Ultimate Clay Machine or by hand to approximately 1/8". Let dry 24 hours.
3. Place clay in Ultimate Clay Extruder and extrude assorted pieces to create hair, and to shape into mouth shapes, etc. Let dry 24 hours.
4. Use Big Shot and assorted Sizzix dies to cut assorted shapes from rolled clay.
5. Add accents to eyes with JudiKins Diamond Glaze, Roxs and Glass Beads. Let dry.
6. Use Beacon 3-in-1 to mount pieces of magnetic tape to back of each piece.

Let the fun begin!
